## MICRORAPID T 2000-V0

Compact wall-mounted fan heaters

### DESCRIPTION

- Front and rear panels, top and bottom grilles made of steel with scratch-resistant paint finish, colour grey.
- Ends and section housing controls made of self-extinguishing plastic rated V0, colour grey.
- Tangential fan unit.
- Metal-clad heating element with aluminium heat sink, rated 800/1200/2000 W.
- Thermal overload cutout with manual reset.
- Luminous switches for on/off control and selection of heat output settings.
- Adjustable digital daily/weekly timer for programming on and off periods
- Manually adjustable room thermostat with antifreeze function guaranteeing automatic activation of the heater whenever ambient temperature drops below 5 °C.
- The product can be connected to an external programmable thermostat
- IMQ safety certification.
